Chapter 6
Blessed Raindrops
Here you go!
What's this?
I present to you a tool to counter the Western Witch,
with my most heartfelt kindness.
You did some archery before, right?
Yes, but that was Japanese archery, I already stopped doing it.
To begin with the bow's shape is different.
Hide it properly!
You're going to meet the Western Witch, aren't you?
What does that have to do with a bow?
Like this?
I'm leaving the inn in a moment.
Because you're not coming back, I'm going to sell your uniform to pay the lodging price.
Well, my point is this.
